

# Enhanced Care Management (ECM) Transaction Types

Updated 2/7/2024

## Managed Care-Aetna (601)

Note: Only contracted with Aetna for ECM services through December 2023.

Type of Transaction	Purpose	Timeliness Constraints (MH & SUPT)	Notes
Initial	Initial Claim for Service	Must receive the claim in 120 days from the date of service.	If there is a prior payor the 120 day timeline doesn't start until we have received notice from the 1st payor
Rebill	To "Rebill" a previously claimed initial claim for a service	Within 180 days from date of payment	NA

## Managed Care-Anthem (602)

Type of Transaction	Purpose	Timeliness Constraints (MH & SUPT)	Notes
Initial	Initial Claim for Service	Must receive the claim in 365 days from the date of service.	If there is a prior payor the 365 day timeline doesn't start until we have received notice from the 1st payor
Rebill	To "Rebill" a previously claimed initial claim for a service	Within 365 days from date of payment	NA

## Managed Care-HealthNet (603)

Type of Transaction	Purpose	Timeliness Constraints (MH & SUPT)	Notes
Initial	Initial Claim for Service	Must receive the claim in 120 days from the date of service.	If there is a prior payor the 120 day timeline doesn't start until we have received notice from the 1st payor
Rebill	To "Rebill" a previously claimed initial claim for a service	Within 365 days from date of payment	NA
