^{**}Please note that it may take up to 5 business days to create a new user account once all the information is received. For all live trainings, training requests need to be submitted 2 business days prior to training day. When registering direct care staff for training, email only this page of the completed EHR Training registration form to DHSQMStaffReg@saccounty.gov. If you are registering for only Admin/Billing training or only requesting to Modify/Add Additional permissions, please email this page to bhs-ehrtrainingreg@saccounty.gov. Please make sure that you receive a confirmation for each request. If a confirmation is not received, please follow up**

EHR Training Registration Instructions

These instructions are used as a guide for filling out the Training Registration form. Only completely filled out requests with an Authorized Approvers signature will be processed. If you have any questions regarding this form please contact bhs-ehrtrainingreg@saccounty.gov.

Section 1 - Request

Deactivate account - Remove a user's access to your Legal Entity

Reactivate account - Restore user's account if deactivated (*May require training based on amount of time account was inactive*). If it's been more than 60 days since the account deactivation date, they will be required to attend training.

Add Legal Entity to existing user - If the user already has a SmartCare account this will add a new Legal Entity to their account and allow them to make edits/updates within that Legal Entity. This requires completion of Section 2.

Request for Training - This indicates that you want to request training for the user. Requires all data to be completed in Section 2 and Section 4.

Modify/Add Additional Permissions - Request to make a change to an existing and active user's account. Completion of Section 2 and Section 3 is required.

Section 2 - User Information (All information in this section is required to be filled out in order to expedite the request)

Last Name & First Name - Name used with County and EHR.

Legal Entity - Legal Entity/Entities for this request and/or tied to user.

Agency Name - Name of the program(s) where the user will be working

Agency Liaison Email - Email that you want replies to this request to go to.

User Phone number - Phone number of user requesting training

User Email - Email for the requested user to send confirmation and communications to.

Section 3 - Modify/Add Additional Permissions

Add Diagnosis permission - Select this option if the user is a non-clinical staff requiring access (must meet all requirements)

Change Name - This is the user's name only, it will not change the User ID. If the user ID needs to be changed you can also check the User ID box.

(Please specify what is being changed. Use the boxes to the right)

Change User ID - If the user's ID needs to be changed due to misspelling or a change of last name.

<u>Section 4 - Class Training Dates - You can sign up a user for multiple classes</u> (Please verify the date and time for each class selection)

Class Date - Date of the Class. (See the posted schedule on the EHR Project Website for the class date)

Class Name - Each of the Class offerings are available to select.

Please include any comments regarding your request - In order to expedite your request; this section should be used to include any additional information or comments about your request. This will help minimize questions and accelerate the process.
