<p><b>Quality Management Updates</b></p> <p><b>Reminder</b> – about ongoing trainings that Jesus and Matt are doing, 6-8 times a year. Monthly PN Service Codes also. Both are updated for CWS. QM calendar is on the website</p> <p><b>Order Connect</b> – prescribing agents – new policy coming out. Also a process for error reports.</p> <p><b>Electronic UR:</b> Targeting October to start but QM will provide updates. Meetings will probably be here at ASC with smaller review groups (10-12). Schedule is not yet set but we are hoping to keep to a similar Tuesday schedule.</p> <p>Q: For non billable – how many minutes are we to be putting in the progress note. We would like our staff to get credit for the actual minutes they are spending on them. Is it okay to put in the actual minutes instead of zero or 1.</p> <p>A: Matt, we need to talk more about that. In the meantime use the actual minutes. We will get it into the FAQ when a decision made.</p> <p>Q: Staff that do “no show” or cancellations notes for doctors. Whose name do they put theirs or the doctors?</p> <p>A: Kacey – put in the practitioner, but the system will record who entered it.</p> <p>Q: What to do if the person writing the note for the doctor requires a co signature?</p> <p>A: It will not require a co-signature for a practitioner.</p>	<p>QM</p>	<p>3:30 PM</p>	<p>10 min</p>

What is it based off of?</p> <p>A: John – tells by the location of service so does not pick up as a face to face.</p>	All	3:50 PM	20 min
