Claiming /Fiscal Update - Claiming Status we are done claiming for April 2014 services and will begin claiming for May 2014 after June 15. - - Medicare update – During testing we found out that we (County) will be able to verify medicare Eligibility. We are not sure who will have the ability to access this information. - Client/Family billing statements- Draft letters have been created to be reviewed and sent to the providers regarding Umdap, share of cost, copayments and the bills that will be sent to the clients. This is a heads up for clients who haven't been receiving bills to date, but may start to receive them. -	Melony	2:35 PM	10 min
Client Plan – Review of functionality, questions and answers - Nursing care plan – reviewed step by step how to complete and add multiple goals to the same plan. - MHTC Inter-disciplinary Plan – same form as the Nursing Care Plan Visit the Project Website for a step by step webinar on this. https://sachie.webex.com/mw0401l/mywebex/default.do?siteurl=sachie	All	2:45 PM	30 min
Upcoming Project Activities - New URL coming ~ August requires updated version of java. Avatar team has been using the update and it is working fine.	John	3:15 PM	15 min

- Lab request and Results via Order Connect – no date has been determined yet, but we will be starting with Quest. The APSS clinic will be the pilot. - Access Team Service Request – will be trained and implemented after ADS UAT is completed.
