Topic	Presenter	Start Time	Length
Welcome/Introductions	Kacey	3:00 PM	5 min
Changes to the Forms used to enter services- Face to Face Indicator- This is a new field that has been added so you can track face to face interactions. It is not currently flagged as required but will be decided by management. 3 distinct fields to capture- We now have 3 distinct fields to in the Client Charge Input, Edit Service Information and Progress Note Entry. The fields are Direct service time” Documentation time” and “Travel time” that will calculate the total time for you. - Start and End Time to be removed from Progress notes Additional EBP/SS added to edit service information- This is now on Edit Services form that will allow you to edit it. Cans Program Census draft report- Gives results based on the questions answered. Also shows clients with No CANS entered.	John	3:05 PM	15 min
Training Update - Training schedule/process- We are starting to see many requests coming in that do not have all of the information on it to complete the registration process. - We are holding to a strict 48 hour policy for registration to allow us to process the request. - There will be some training that will be altered to make sure we can get all of the trainings completed for additional items. So watch for changes to the schedule.	Justin/Kacey	3:05 PM	5 min

<p>Service Request/Response Go-Live Update</p> <ul style="list-style-type: none"> - Updated template for psych testing forth coming - Reminder to select Psych Testing when requesting psych testing - Remember to look in the service request comments for the information. The clinical items will be copied into the Response comments field in the Client Service Request Response. 	Kacey	3:10 PM	10 min
<p>What's Coming</p> <ul style="list-style-type: none"> - ICD10 and DSM5 update - CPT Codes- There will be 10 new codes that will be added. Interactivity complexity codes that will be used to indicate other services. Additional information regarding documentation will be provided by QM on the clinical piece. The QM piece will take about 2 hours and the Avatar training will also take 2 hours Implementation will take place on July 31 - Medicare-Will not take place until after July, we will have 2 pilots for this implementation. There will be many changes needed in the system. - Lab Implementation- Netsmart has given us an ETA of July 1 to be delivered to the county. We will be asking for information about Lab information 	Kacey	3:20 PM	20 min
<p>Open Forum</p> <p>Question: We are seeing the smoking indicator prompt in discharge form</p> <p>Answer: Netsmart implemented a date field and the Smoking status. To clear it you use the F5 key to clear it if it isn't valid. If it is valid enter the date it was asked.</p>	All	3:40 PM	20 min
