Claiming/Fiscal Update <ul style="list-style-type: none">- Claiming Status-On the client ledger you can now see the state fund as of the Month of July. The rates have been uploaded in Avatar and please check your rates to verify.- New Claim adjustment codes are on the Avatar website for you to reference.- Retros and replacements are up to date and we are waiting on hard copies.- There will be changes on the way providers will be submitting their claims. ADS will contact providers with what additional items that will need to be submitted with claims.- As of September there will be no more courtesy calls to providers there is no diagnosis and or policy number listed. This is available through Avatar Reports.	Viktor	11:35 AM	10 min
SachIE Project Update <ul style="list-style-type: none">- ICD10-An email should have been received yesterday about the ICD-10 implementation, which is scheduled mid to late August. On the go live day the new diagnosis form will be available.- There is a 12 minute webinar that needs to be viewed along with a Quiz that must be taken in order to maintain access to the Diagnosis form.- There is a report referenced in the Webinar that will show you missing ICD-10.- All diagnosis must be updated prior to 10-1. That is why we are making this available as soon as possible.	Kacey	11:45 AM	15 min

<ul style="list-style-type: none"> - QM will be sending out a document that outlines the requirements and easiest way to update the diagnosis. - The new diagnosis form will be integrated into the Practice Management and CWS trainings after the Go Live. - There is information coming out from DHCS that includes some mapping to ICD-9 and ICD-10 diagnosis. - QM has been working on creating a document with the top diagnosis that includes the crosswalk. - There will be some significant down time on the Night of Go Live at least 9-12 hours. 			
<p>Training and Go-Live Update</p> <ul style="list-style-type: none"> - Irregular training schedule expected through October-For the next few months we will be posting a monthly calendar with some altered trainings. Practice Management training will still be offered on the 1st Tuesday of the month and Correction in EHR will be offered on the 2nd Tuesday of the month. The Practice Management Drop in will still be offered on the 2nd Tuesday from 2pm-4pm - Combined Training Offering-Just a reminder that we are offering a combined Practice management training that includes Financial Eligibility and Corrections processes. - We will be providing some technical assistance classes that will be available for those that have additional questions after viewing the webinar. You must take the webinar and quiz prior to attending this class. 	Justin	12:00 PM	10 min
