

# *Behavioral Health* **YOUTH ADVISORY BOARD**

A MONTHLY NEWSLETTER BROUGHT TO YOU BY THE MEMBERS OF THE BHYAB

## **August News**

On August 5th, the board discussed the policy brief that is in the works. The ad hoc for the policy brief led the board through researching organizations and documents from the county. The board also began to work on an email template to send to organizations for potential collaborations. At the end of the meeting Vice Chair Storm announced they would be vacating their position and leaving the board for UC Davis. We'll miss you Storm!

On August 19th, the topic of discussion was the State of California's High Fidelity Wraparound (HFW) Concept. The board was asked to give it's input of the contents of the document. Next, the board talked about ways to make the social media page more accessible and other forms of outreach as well. Board member, and former secretary, Natanya was officially announced as Vice Chair. Congrats!! And to close out the meeting, the policy brief ad hoc led a discussion on the policy brief.
