COUNTY BHS
CONTRACTED
PROVIDERS**

INFORMATION SESSION

Through this BHREC Learning Collaborative there's an opportunity to work with and co-produce with community and BHS leadership to align organizational practices to Latino Cultural Values. Together with the community, we can ensure your services are relevant and meaningful to the L/LX/LE/H communities and provide opportunities to co-produce your practice and policy improvements to be eligible for Sacramento County BHS' equity incentive program.

It's a key time to reflect on the state of health equity for California's largest ethnic group. The L/LX/LE/H community continues to face significant health care disparities that demand attention and action.
