Sacramento County Division of Behavioral Health Services (BHS), in coordination with the California Institute for Behavioral Health Solutions (CIBHS), has established the Latino/Latinx/Latine/Hispanic Behavioral Health Racial Equity Learning Collaborative (L/LX/LE/H BHREC) to focus on increasing the L/LX/LE/H communities' knowledge about behavioral health conditions and services as well as co-designing adaptations to behavioral health programs with the L/LX/LE/H community to increase utilization. The Collaborative will include staff from both the Sacramento County Division of BHS, community-based organizations representing the L/LX/LE/H communities, and provider organizations. A key benefit of the BHREC is it will support BHS providers that are working toward the 24/25 Equity Incentive to co-design with the community improved practices and policies that advance equity.

WHO CAN JOIN

Provider organizations and county operated organizations that wish to co-design with the community to adapt their programs and practices to improve utilization, quality, and outcomes for the L/LX/LE/H community should join. In addition, we are still recruiting for more community organizations to join our BHREC Steering Committee.

We recommend each provider organization brings a team that includes the CEO or CEO designated staff person, a clinical supervisor, a clinician or care manager, peers or advocates, and a data analyst. One person will be designated as the lead coordinator.

PROCESS AND TIMELINE

The BHREC will meet for 6 virtual sessions. The initial session, scheduled for January 22, 2025, from 1:00 – 3:00 pm, will introduce your team to the process. The Collaborative will then work on Co-

Production Sessions with the L/LX/LE/H community on the following dates: February 4, March 4, April 1, May 6, and June 3.

BENEFITS

Provider organizations will receive access to the following at no cost:

1. Training and technical assistance from community organizational leaders and an expert equity consultant, Koby Rodriguez.
2. Opportunity for peer-to-peer discussion on strategies to improve quality of services for L/LX/LE/H communities.

HOW TO JOIN THE L/LX/LE/H BHREC

1. Discuss this option with your organization’s leadership and obtain an Executive Leader Sponsorship.
2. Develop your team. We recommend you include your organization’s Executive Leader (CEO or designee), Key Contact, Clinical Supervisor, Clinician/Care Manager, Peers/Advocates, Data Manager. Team members can fulfil multiple roles.
3. Be prepared to answer the question:
 - a. **Does your organization have data reports that are disaggregated by client demographics?**
 - i. Your answer to this question does not determine your eligibility to join the collaborative but will support our coaches prepare to support your team.
4. [Register to join the Collaborative here](#) by Dec 16, 2024.

You can also use the QR code to register.

These programs are funded by the Division of Behavioral Health Services through the voter approved Proposition 63, Mental Health Services Act (MHSA)
