BACS’ Transformative, Healing, Renewing, Inclusive, Voice, Empowerment (THRIVE) Outpatient Program supports with whole person wellness and partner driven recovery goals to reduce incarceration, unnecessary emergency services, and barriers to wellness.

What We Do

- ♥ Crisis intervention, mental health exploration, psychiatry services, case management, linkage and advocacy.
- ♥ Empower partners to have a ‘voice and choice’ in their care and treatment.
- ♥ Community-based housing, employment services, budgeting skills, and financial support.
- ♥ Support partners to thrive in the community and reduce incarceration through psychiatry, employment services, housing coordination, peer support, and more.

Eligibility

- ♥ Sacramento County residents, ages 18+
- ♥ Multi-system justice involvement
- ♥ Medi-Cal eligible
- ♥ Meet criteria for specialty mental health services
