This team responds together to emergency calls for service to support individuals experiencing a mental health crisis by providing safe and effective interventions, including connection to needed resources and services.

The CCIT includes:

- A Crisis Intervention Trained (CIT) Police Officer or Sheriff's Deputy
- A Sacramento County Behavioral Health licensed Senior Mental Health Counselor
- A Sacramento County contracted Peer Specialist

## CCIT is committed to:

- Providing safe, compassionate, and effective responses to individuals experiencing a mental health crisis.
- Increasing public safety.
- Decreasing unnecessary hospitalizations for community members experiencing a mental health crisis.
- Decreasing unnecessary incarcerations for community members experiencing a mental health crisis.
- Increasing participation with mental health services by problem solving barriers and increasing knowledge of local resources.

## How does CCIT help?

- A CCIT licensed Mental Health Counselor and a law enforcement officer/deputy (CIT Unit) provides an immediate co-response to emergency calls involving a mental health crisis.
- CCIT engages the expertise of both law enforcement and Behavioral Health – increasing diversion from unnecessary incarceration or hospitalization.
- Post mitigation of the immediate crisis, CCIT utilizes Peer Specialists with lived experience and community resource expertise to provide follow-up engagement and navigation to ongoing services.
