July, 2023	Completed in the mo:*	95	148	51	49	0	0	0	0	0	0	0	0
August, 2023	Completed in the mo:*	147	381	83	68	0	0	0	0	0	0	0	0
September, 2023	Completed in the mo:*	149	366	48	42	1	1	0	0	1	1	0	0
October, 2023	Completed in the mo:*	255	456	48	47	1	1	0	0	1	1	0	0
November, 2023	Completed in the mo:*	232	397	35	32	1	0	0	0	1	0	0	0
December, 2023	Completed in the mo:*	85	226	39	43	0	0	0	0	0	0	0	0
January, 2024	Completed in the mo:*	114	303	52	35	2	1	1	0	1	1	0	0
February, 2024	Completed in the mo:*	150	298	65	55	3	2	2	2	1	0	0	0
Year to Date	Total completed:*	1077	2277	421	371	8	5	3	2	5	3	0	0
	Percent completed:*				88%	2%	63%	38%	67%	63%	60%	0%	0%

*Data in the table reflects the month the referenced activity was completed, but HEART activities may have started in an earlier month.

Definitions

Duplicated = May include individuals counted more than once due to the individual's choice of anonymity.

Outreach Encounter = First phase which includes brief interaction with individuals in an encampment who may or may not provide their name.

Engagement Attempt = Second phase in which HEART staff introduces themselves and provides an icebreaker to establish rapport, may include water, snack, etc.

Engaged = Third phase in which individual expresses interest in Behavioral Health Services (BHS) to HEART staff.

Screened = Fourth phase is reached when the individual provides sufficient information on symptoms and impairment for HEART staff to conduct a behavioral health screening.

Enrolled/Admitted = The fifth phase is when, with the consent of the individual, HEART staff enrolls/admits them to the selected BHS program.

Linked = An individual that HEART staff enrolled/admitted to BHS provider program, attends their first assessment service appointment with that BHS provider program.
