

ATTENTION ADULT PEER SUPPORT SPECIALISTS!

JOIN US THE 2ND WEDNESDAY BI-MONTHLY!

In 2024, the Behavioral Health Peer Support Specialist Program Managers created the Adult Peer Support Committee to co-produce community forums with Peer Support Specialists within Sacramento County's Behavioral Health Services Community-Based Programs.

This committee offers a dedicated space for individuals with unique lived experiences to connect, share, and learn from each other. Each session highlights a specific topic, providing an open forum for discussions on new and emerging areas of interest. Medi-Cal Peer Support Specialists participating in these forums will also earn 1.5 continuing education hours towards their Medi-Cal Peer Specialist Certification renewal requirements.

JOIN US AND MAKE A DIFFERENCE!

We invite you to join our Adult Peer Support Committee. This welcoming space allows you to share your experiences, grow together, and learn from one another. Each session delves into meaningful topics and encourages open discussions and discoveries.

By participating, you not only contribute to our vibrant community but also earn 1.5 continuing education hours for certification renewal. Become a part of our supportive network, where every voice is valued, and together, we can create a positive impact.

WE LOOK FORWARD TO SEEING YOU AT OUR NEXT MEETING! 9:00-10:30
