

Department of Health Services, Division of Behavioral Health Services

Substance Use Prevention and Treatment Services: Walk-In Hours

If you are struggling with substance use (alcohol or other drugs) and you're ready for help, you can go to any of the following outpatient and medication-assisted treatment provider clinics without an appointment.

We also offer withdrawal management and residential treatment services. For more information about these services, please contact the BHS-SAC Team (24 Hours a Day, 365 Days a Year): Phone: 916-875-1055, CA Relay: 711, Toll-free: 888-881-4881

If you are experiencing a behavioral health crisis, please call 988. If you are experiencing a life-threatening emergency, please call 911.
