

Alcohol and Drug Advisory Board

Mission

The mission of the Sacramento County Alcohol and Drug Advisory Board is to promote a healthy community and reduce the harmful effects associated with alcohol and drug use.

Purpose

- **Advise** the Board of Supervisors and the Department of Health Services (DHS), Division of Behavioral Health Services (BHS), Substance Use Prevention and Treatment (SUPT) on policies and goals of County alcohol and drug programs. This includes the planning, coordination, and delivery of alcohol and drug prevention, treatment, and recovery services.
- **Participate** in the countywide alcohol and drug program planning process.
- **Provide recommendations** regarding alcohol and drug programs-related matters referred by the Board of Supervisors, the DHS/BHS/SUPT, other county funded agencies/departments, the Advisory Board members and individuals.
- **Review** the scope of alcohol and drug programs in County-funded agencies/ departments and the Sacramento community at large.
- **Evaluate** the community's alcohol and drug program needs, services, facilities and special programs.
- **Encourage and educate** the public to understand the nature of alcohol and drug issues.
- **Promote** support throughout the County for the development and implementation of effective alcohol and drug programs.
- **Ensure** citizen and professional involvement at all stages of the process leading to the formation and adoption of the County alcohol and drug programs plans.

Membership

Members are appointed by the Board of Supervisors. This 20 member board shall reflect the demographics and diversity of the Sacramento community. Membership representation is as follows:

- At least twelve voting members shall represent the general public. Of these, five of the twelve shall have expertise in alcohol and drug prevention, treatment and/or recovery services.
- Up to eight voting members shall represent public services. These members shall represent their respective service domains, such as child welfare, adult services, health (public or primary care), human assistance and/or criminal justice (police, sheriff and probation).
