8:45a – 8:59a Sign-in/Check-In
9:00a – 10:30a Training Begins/Course Instruction
10:30a – 10:45a Break
10:45a – 12:15p Course Instruction
12:15p – 12:30p Questions/Evaluation

Course Description

This training will educate behavioral health providers in our community on the significance of trauma impact on the community members that we serve, and the importance of creating an awareness of the need for trauma-informed care in all the services behavioral health provides to its citizens. Participants will be able to recognize and understand a common definition of trauma, demonstrate knowledge and awareness of how the stress process works, identify and explain the impact of trauma on behavioral health (mental health and SUD issues), demonstrate knowledge and awareness of different practices that can be implemented in our engagement and service practice, and learn practical ways to build personal resilience.

No partial credit-- You must attend the entire course to receive a certificate/CE credit.

- Course meets the qualifications for 3.0 hours of Continuing Education Credit for LMFTs/LCSWs/LPCCs and/or LEPs as required by the California Board of Behavioral Sciences (BBS) CAMFT#129915; and for CADCs (Certified Alcohol Drug Counselors) for Registered and Certified Counselors for CEU's required by the California Consortium of Addiction Programs and Professionals CCAPP Provider Number 8-21-335-0623 & California Association of DUI Treatment Programs CADTP Provider Number 224. Sacramento County, BHS is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs/LCSWs/LPCCs and/or LEPs. Sacramento County BHS, QM maintains responsibility for this program/course and its content.
- Certificate of completion offered for all participants.
- CE certificates will be distributed after the training.
