Overall Rating	29%	57%	0	0	14%

Comments:

- She is a very nice person and has been very supportive. Though I'm not aware of all she does, she is pulling off doing an important job successfully.
- I have not been on the board long enough to truly evaluate Louise, but I think she does a very good job.
- I have not worked with her long enough or often enough to evaluate her performance fairly. Everything I have observed so far has been positive.
