

## The Quadruple Aim

- Based on the 2017 Triple Aim framework from the Institute for Healthcare Improvement (IHI).
- The new framework adds a 4<sup>th</sup> aim of improving the well-being of the people providing care.

## Alignment of CAB Activities with Quadruple Aim Framework

<b>Quadruple Aim Focus Area</b>	<b>Co-Applicant Board Activities</b>
Patient experience	Bi-annual patient feedback surveys
Population health (outcomes)	QI plan monitoring and projects
Reducing costs	Fiscal oversight
Are Team Well-Being	<i>Sacramento County Primary Care Center Recharge Initiative – staff feedback and improvement projects</i>
