What are “Carve Outs?”

- ▶ “Carve outs” are services not offered within the scope of the health plan.
- ▶ What are they in Sacramento?
 - Mental Health Specialty
 - Drug Medi-Cal
 - Dental
 - California Children's Services

Mental Health Split Benefit

Services to enrollees are provided in two systems of care.

- ▶ Health Plans
- ▶ County Mental Health Plan (MHP)

Each system has an organized delivery system – member services, networks, etc.

Health Plan > MH Benefits

Serves individuals with “low to moderate” mental health needs –

- ▶ Individual and Group evaluation & treatment
- ▶ Psychological testing – when clinically indicated
- ▶ Outpatient services for monitoring drug therapy
- ▶ Outpatient laboratory, medications, supplies and supplements
- ▶ Psychiatric consultation

County Mental Health Plan > MH Benefits

Serves individuals with “serious” mental health needs –

Services:

- ▶ Mental health services – assessment, plan development, therapy, rehabilitation
- ▶ Medication support services
- ▶ Day treatment intensive, day rehabilitation
- ▶ Crisis intervention, crisis stabilization
- ▶ Crisis residential
- ▶ Case management
- ▶ Psychiatric hospitalization

County Mental Health Plan > MH Benefits

How is County MHP different?

- ▶ Separate system
- ▶ Serves individuals with “serious” mental health needs
- ▶ Provides mental health “specialty” services
- ▶ MHP Specialty has established points of access
- ▶ Authorization is based on medical necessity (defined target population, functional impairment)

Substance Use Disorder (SUD) Benefits

Through County Alcohol & Drug Services

Serves individuals with substance use disorders

- ▶ Drug Medi-Cal operates as a “carve out” from managed care plans
- ▶ Services – Outpatient Drug-Free Services, Narcotic Treatment Services, Intensive Outpatient Treatment, Residential Substance Use Disorder Services, Voluntary Inpatient Detoxification
- ▶ Some services are pending an Organized Drug Medi-Cal System Waiver

Substance Use Disorder Benefits

Exception:

- ▶ Screening, brief intervention & referral are provided by the Plan primary care providers.
- ▶ Acute Medical Detoxification is covered by the Plan.

Dental Managed Care

- ▶ Sacramento County has mandatory enrollment
- ▶ Plan Selection is through Health Care Options
- ▶ Dental Managed Care Plans include:
 - Access Dental Plan
 - Health Net
 - Liberty Dental
- ▶ *For more information on dental services, visit the DHCS Dental Managed Care webpage.*

What is a Primary Care Medical Home?

- ▶ May be a physician provider or a clinic
- ▶ Primary and preventative health care
- ▶ Chronic disease management
- ▶ Core provider essential to patient care
- ▶ Care coordination – specialty referrals, post-hospitalization follow-up, across other systems such as Specialty Mental Health (County MH Plan)

Change is continuous...

Changes in GMC:

- ▶ UnitedHealthcare – Oct 2017
- ▶ Aetna Better Health – Jan 2018
- ▶ Health Home (chronic conditions & SUD) – Jul 2019
- ▶ Health Home (serious mental illness) – Jan 2020

Changes in Other Systems:

- ▶ Drug Medi-Cal – Organized Delivery System – TBD
- ▶ Adult dental benefits restored – Jan 2018
- ▶ Adult optical restored (pending funds) – Jan 2020
