Sacramento County Health Authority Commission General Meeting

Agenda Item	Time
<p>the draft All Plan Letter (APL) on Community Reinvestment Requirements since the SCHA will help guide the Managed Care Plans (MCPs) investments in Sacramento per the strategic plan. Meredith Wurden presented some key points of interest for the commission’s consideration in the APL, including base community reinvestment requirements; the “quality achievement community reinvestment” or additional net income MCPs are required to invest into initiatives in counties where they do not meet minimum quality performance thresholds; enforcement tiers (for quality performance measure rates that fall below designated benchmarks); the five mandatory use categories for community reinvestment activities; examples of permissible and non-permissible activities; that investment activities should be aligned with local CHA/CHIP plans; examples for calculating Community Reinvestment funding obligations; and that the State plans to release additional guidance in subsequent APLs.</p> <p>Jenine requested that commissioners provide their feedback and comments using the template on the SCHA website by Wednesday, September 25th.</p>
