

Outbreak Reporting Module

The outbreak reporting module is intended for the following facilities to report outbreak information to Sacramento County Public Health as required by [Title 17](#) and [Assembly Bill 685](#):

- Businesses
- Childcares, Daycares, and Preschools
- Correctional Facilities
- Health Care Providers
- Homeless Shelters
- Schools

Please submit responses within 24 hours after starting the reporting session. Responses not submitted within 24 hours will not be recorded.
