Agenda and May Minutes	A) May minutes reviewed and approved by the Board
Public Health Officer's Report	<p>Presented by Dr. Olivia Kasirye and Dr. Melody Law:</p> <ul style="list-style-type: none"> • The Department of Health Services has appointed a new Director, Dr. Peter Beilenson. He has extensive experience in Public Health. • Public Health has produced an updated Birth Fact Sheet with data from 2016. There have been some positive changes in the prenatal care and preterm birth data. A digital copy of the new fact sheet was sent out to the Advisory Board. • There has been an increase in syphilis cases and we have seen a few cases of congenital syphilis. • Dr. Law mentioned the epi pen shortage, the expiration dates on epi pens for adults has been extended. West Nile activity has increased, there has been 1 confirmed case in Sacramento, this increase is most likely due to an overall decrease in immunizations. High levels of lead and copper were found in the drinking water at Grant High School. Bottle water has been brought in until the issue can be remedied.
