National Fentanyl Prevention and Awareness Day

This day was established in remembrance of our loved ones that died from fentanyl poisoning and acknowledge the devastation this drug has brought to thousands of affected family members and friends. This is a day of coordinated response for fentanyl awareness organizations and affected family members to come together, sharing their lived experiences as a whole group to warn our youth and the public about the dangers of fentanyl.

#WearRedForChange to show your support for the families of those we have loss to fentanyl poisonings and your desire to invoke positive change for all those being affected. Sharing is caring so tell others!

August

31

Overdose Awareness Day

A global event aiming to raise awareness of overdose, reduce the stigma of drug-related death and spreading the message that the tragedy of overdose death is preventable.

September

7

National Recovery Month

Each September, National Recovery Month takes place to increase awareness and educate people about how substance use and mental health services can help people and their families to live healthy and rewarding lives.

Kicking off with the 29th annual Recovery Happens event on Sep. 1, National Recovery Month shares the message of hope through treatment and recovery. All month long, Sacramento County Substance Use Prevention and Treatment Services celebrates the fact that prevention works, treatment is effective and people can and do recover.

Every September since 1992, CCAPP sponsors National Recovery Month at the California State Capitol where thousands gather to increase awareness and understanding of mental health and substance use disorders and celebrate the people who recover.

Recovery Happens is being held in person:

We will observe State and local COVID-19 guidelines.

- Time: starting at 8 am
(programming starts at 10:00am-3:00pm)
- Location: west steps of the California State Capitol
1010 L Street, Sacramento
- FREE Narcan will be available
