Re: HIV Health Services Planning Council Member Appointment

---

The HIV Health Services Planning Council requests that you approve the following appointments:

- **Everardo Alvizo** to Seat Number 35: Non-Elected Community Leader  
1501 5th Street, Unit 577  
Sacramento, CA 95814  
310-650-4212, Everardo.alvizo@gilead.com

Mr. Alvizo has been working in the HIV field for the past 14 years in capacity building, grant writing, and public health. He has previously worked with the Ryan White Planning Council in Los Angeles County. He has worked closely with the Councils Affected Community Committee in his role as the Gilead Sciences HIV Community Liaison for Sacramento. He has been attending the Council meetings as a community member but believes he can bring his skills and expertise to the Council as a seated member. His goal is to collaborate with community partners to end the HIV epidemic throughout Sacramento County by ensuring that the diverse needs of the region's community members are addressed as it relates to access to HIV education, prevention, and treatment services.

If you have any questions, please contact the HIV Health Services Planning Council staff at 916-875-6021.

Sincerely,

*Danielle Caravella*
