Sacramento County Emergency Medical Services Agency

**Subject: PD# 2527 – STEMI System Data Elements and  
PD# 2528 – Stroke System Data Elements**

Given the importance of timely data reporting, SCEMSA will be making the changes to PD# 2527 – STEMI System Data Elements and PD# 2528 – Stroke System Data Elements **effective on May 1, 2024.**

These policy changes require **no training**, and both Care Committees were made aware of the changes at previous committee meetings. These policy changes were approved at the March MAC/OAC meeting, meaning they would go into effect November 1, 2024, but SCEMSA has decided to move the effective date up to May 1, 2024.

For questions or concerns, please contact EMS Coordinator Sydney Freer at [FreerS@saccounty.gov](mailto:FreerS@saccounty.gov).
