Purpose:

- A. To provide information and guidelines to Emergency Medical Technician (EMT) applicants for initiating the process required to obtain Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) criminal background checks.

Authority:

- A. California Health and Safety Code, Division 2.5
- B. California Code of Regulations, Title 22, Division 9

Policy:

- A. All individuals applying for initial Sacramento County EMT certification or recertification must submit a Live Scan DOJ and FBI background check.
- B. A certified Sacramento County Emergency Medical Services Agency (SCEMSA) EMT who previously submitted a Live Scan DOJ background check for certification or recertification purposes with SCEMSA is not required to submit a Live Scan background check.

Process:

The background check process is a Live Scan electronic fingerprint submission sent to the DOJ and FBI, with the results transmitted electronically to the Emergency Medical Services Authority (EMSA) and SCEMSA.

- A. A Live Scan form and related instructions can be obtained at the SCEMSA office or website; ([Sacramento County Live Scan Form](#))

- B. Go to the [State of California Department of Justice Live Scan Locations](#) website for a listing of Live Scan sites both inside and outside of Sacramento County.
- C. Complete the online application.
- D. Upload a copy of the Live Scan form signed by the Live Scan operator with the Automated Transaction Identifier (ATI) number.
 - 1. Because agencies cannot share Live Scan information, Live Scans done for other agencies are not accepted by SCEMSA.
 - 2. The Live Scan process provides background information on the applicant to the Authority and SCEMSA on an ongoing basis, including subsequent arrests.
