

## Creating community action to prevent youth substance use.

The Sacramento County Coalition for Youth (SCCY) is working to create safer communities by addressing youth access to alcohol and marijuana. Educating parents on availability in the home; advising merchants on placement, price and promotion; and influencing media and social norms about substance use by today's youth are just some of the ways the SCCY is making a difference.

We invite you to join us: meetings are held the first Wednesday of the month from 4:30 to 6:00 p.m. at the Sacramento County Office of Education. For more info, please contact [jorrock@scoe.net](mailto:jorrock@scoe.net), or visit our website at [www.SacramentoCCY.org](http://www.SacramentoCCY.org)
