Medical Therapy Program (MTP)

We would love to hear from you!

Do you have any questions or concerns about your child's home program activities? Are you curious about when their next therapy appointment should be?

Want to share your child's accomplishments, or that adorable picture of them at the grocery store or the park with you?

Our therapists have work cell phones, and can send and receive texts, so feel free to reach out! If you need the cell phone number for your child's therapist(s), call the MTU and request it.

How are those braces fitting?

If you think your child is outgrowing their orthotics (looking too tight, more red marks when removing them, etc.), give us a call! We can help get an appointment scheduled with their orthotist.

Is your child's durable medical equipment (DME) fitting and working well?

If you have any questions or concerns about their wheelchair, bath chair, stander, gait trainer, or any other equipment, give us a call! We can help get an appointment scheduled with their DME vendor.
