## Sacramento County Public Health Maternal Child and Adolescent Health Advisory Board

<p>COVID-19 Update</p>	<p>Presented by Stacey Kennedy</p> <ul style="list-style-type: none"> <li>• Booster- CDC media release on booster dose to 5 month for both Pfizer and Moderna</li> <li>• Pfizer COVID-19 booster dose is now available to 12- to 15-year-olds at least five months after completing their primary vaccination series.</li> <li>• To align with the standard language CDC uses about other vaccinations, CDC will now use the phrase “up to date” when talking about COVID-19 vaccination.</li> <li>• Sacramento County has updated isolation &amp; quarantine guidance to be aligned with the CDPH guidance of 5 days</li> </ul>
<p>NFP Update</p>	<p>Presented by Fay Bursch</p> <ul style="list-style-type: none"> <li>• NFP is fully staffed with one nurse out on medical leave.</li> <li>• Currently funded for 200 clients and have 164 (82% full) enrolled, once the nurse returns they will have a full client load.</li> <li>• Referrals continue to come in, outreach is done to providers, NFP sends out promotional materials and has a referral form that can be filled out.</li> <li>• There have been 4 graduates since October, another 18 will graduate by April. Graduation celebrates are 1 on 1 right now.</li> <li>• Many visits are in person but staff is still doing some tele health visits. In person visits provide a more thorough assessment. They are seeing about 40% in home– it is the client’s decision.</li> <li>• All nurses continue to recommend COVID vaccinations for clients and their families.</li> <li>• Two trainings are coming one, one on telehealth, to strengthen skills and support program fidelity. The second one is on maternal mobility and mortality, addressing trauma informed care, biases, etc.</li> <li>• Fay shared a nurse success story about a mom that was experiencing some mental health issues and the nurse was able to work through the moms concerns, face to face.</li> </ul>
<p>Policy Update</p>	<p>Presented by Katie Andrew</p> <ul style="list-style-type: none"> <li>• The new budget was released</li> <li>• The Administration proposes to extend dental managed care contracts and reprocure new contracts no sooner than January 1, 2024.</li> <li>• The Administration proposes to sunset the Child Health and Disability Prevention Program (CHDP) effective July 1, 2023 to advance CalAIM’s goal of streamlining the Medi-Cal program. As part of this proposal, DHCS will implement the Children’s Presumptive Eligibility Program to replace the CHDP Gateway to allow</li> </ul>
